THURSDAY MORNING. : : : JUNE 3, 1869. NEWS OF THE DAY.

The burning of dead bodies is strongly advocated in Paris. The farmers in the section of counbeen complaining greatly for the want of rains. The ground is becoming hard and dry and needs a great deal of rain.

The Clarksville Patriot, whose editor is a Senter man, hoists no name for Governor. The Chattanooga Republican, whose editor is a strong Stokes man, also raises no ma The Montgomery Advertiser says all the railroads leading to Montgomery, and the hotels of that city, have agreed to charge only half rates to parties visiting the Immigration Convention, which meets there on Tuesdry next.

Alabama is moving on the subject of Chinese labor. The Chinese will proably make their appearance in that State in a few weeks. Prentiss says they are

The Arkadelphia (Ark.) Southers Standard of the 25th says: The weather for the past few days has been quite warm, and the beneficial results to the crops are

Gen. Dulce, Captain-General of Cuba, is sick, probably mentally as well as physically, and desires to be relieved of his delicate and responsible position. His request has been acceded to, and Gen, De Hoda goes to Cube to assume the difficult tole of Captain-General of the

Judge Brady, of New York, has just right to threaten the removal of a meter, or to cut off the gas supply of a residence or a house of business in order to enforce the payment of a claim disputed by the consumer, and that money paid under such a threat can be recovered in the court

Senators Patterson and Cragin, of New Hampshire, have been hauling the President over the codes for the su-pati-sion of Migister Hale, on the ground that it gives color to the charges against him prior to their investigation. Mr. Gran disclaimed any such intention, but did no condescent to explain his action.

According to an estimate made a well informed traveler, the Chinese ex-pend annually over \$30,000,000 to appease and propitiate the souls of the dead. About \$30,000,000 are annually expended in worship of the Foc gods, and \$100,000, 000 in the worship of family ancestors Idolatry is an expensive luxury.

One of the members of the Illinois bress, who have been traveling through the South, writes beme as follows: The worst Radicals we have among us on o excursion admit that the people of South are whole-souled and clever. North should only visit the South to se them as they are. No better people eve lived than those of the South.

The Louisville Courier-Journal of Tuesday says the Boone Centennial ha not been abandoned as his been an-nounced and is erroneously supposed. fact, published by the Frankfort Yeoman, that the committee selected to make the necessary arrangements had found the time intervening before the 7th of June too short for a celebration on that day, But we have the whole year before wa, and, one day being as good as another, the enterprise will be carried forward with

his place to have it analyzed.

ouisville Cowier-Journal gives in Tuesday's issue, of that paper, the homely phrases, the history of the last following gossip as to the breadth, oflowing gossip as to the breadth, cope and effect of the late decision of ur. Supreme Court, touching the our Supreme Court, touching the franchise question:

ertain that the decision is as broad and weeping as the people of the State could leshre. It was unanimous by the court. Weight with those whom he addresses ready we think too much time has DRY GOODS. Under the decision every man who has received a certificate, whether from a counte Clerk or Registrar, is entitled to work. This decision will expand the franchise at least 40,000. County Clerks, under the course adopted so promptions of the candidates of the course adopted so promptions of the course adopted so prom

he State is opposed to running opposi-ion candidates either for Governor or the legislature. The universal expression is or fiberal Republicans who will go for inversal suffrage.

We invite the particular attention. There is no time to be lost. Left the There is a full just now in the canvass, loth Stokes and Senter are measuring

strength and getting ready for combat. It BOTH BACKING DOWN.

WE yesterday gave to our readers upon the responsibility of the Cincin-The cowardly spirit, are working in the do, generally, and as much so matter of healing the breach which as the Postmaster who writes us this Irish agricultural prospects were into the gubernatorial chair, and give never brighter at this season than they are at present. The most favorable ac-

counts are received from all parts of the provinces as to the extent of califivation W. H. Willhote, of Cleveland, writes and the state of the crops. The grass to the Knoxville Whig poposing the rains, and the potato and cereal crops that "both the present candidates are healthy looking, and promise in early withdraw and unite on the Hon. All accounts about the wheat crop in Kenton, Ky., and neighboring continues the artistic appointment of this would give mixer all satisfaction, continues averable. In some localities up but the Whig has a no confidence that HOBACE MAYNARD.." He believes continues favorable. In some localities upples and peaches are dropping, but on the whole a pretty full yield is anticipated. The accounts alout the corn are not so favorable. It is unusually backward, and in many cases it has been found necessary to replant. The favorable weather for the past few days will no doubt make a decided change for the better.

The accounts alout the corn are not so favorable weather for the past few days will no doubt make a decided change for the better.

The accounts alout the better while has a decided change for the better.

The accounts alout the corn are not so favorable weather for the past few days will no doubt make a decided change for the better.

The accounts alout the better.

The accounts alout the bridg has a no confidence that the whole a pretty full yield is anticipated. That paper expresses the belief that "Mr. Maynard pand, and is received five papers, a great many living off at a distance send them, throw them down, and that is the party." The White says this best the fault lies in neither you nor me as The other day, at Paris. Term, a charge an afteuret was made by BAR, and the paper regular, and I always hand them out when called for. ing in the death of a negre child. Two children were standing in the door, one of which had a pipe stem in its mouth. The

other child gave it a violent push which that unruly crowd to compromise threw it out of the door, causing it to fall on its face and forcing the pipe stem into its throat, inflicting an injury from which it died in a day or two.

THE Nashville Banner having published the name of Col. Tribits J. inch hoofed Judge Lewis and the proposition down." At the same proposition down." At the same the counsel for the State in the late Funeral Undertaker's AUCTION lime, the Whig has "no objection to case of Tennessee vs. States; that any honorable and fair adjustment of gentleman enters a disclaimer, saying the matter," 'Thus the cursing of the that he "argued the case in conclusion STOKES men and the bitter and vin- " on the other side against the condictive address of the SESTER men are likely to be for naught.

A COMMITTEE of the citizens of Summer county, consisting of Capt. R. A. BENNETT, Hon. WM. WEIGHT and J. R. A. Tonkins, Esq., waited on Ex-President Johnson at Nash-ville on Monday, and invited him in note gives us occasion, in putting him lers with engine works and paddle the name of the people of that right, to join our applause to that of wheels between. The cylinders are one hundred feet long, and eight feet in diameter each. They expect to obtain with it a speed of forty miles per hour. It will on Tuesday next, 8th June, where he will meet the people, and express to The St. Louis Times of Tuesday them his views upon the state of the
